Kately Mosher | Interventionist: David Marino
Registrar: Leticia Tapia | Counseling Secretary: Amber Cowley
Athletic Secretary: Courtney Stanesa | Attendance: Marta Quandt

October 26, 2018

To Whom It May Concern:

It is with extreme pleasure and admiration that I am able to write a letter of recommendation for college/university admission for Olivia Stecina.

I have been acquainted with Olivia throughout her four years at Erie High School. Throughout this time, I have been extremely impressed with Olivia's drive, creativity, poise, intellect, professionalism, and attention to detail.

I had the pleasure of being Olivia's Tiger Tech Team teacher when they were in 10th and 11th grades and I have been their Advisory teacher since they were in tenth grade. Erie High School's Tiger Tech Team is a Geek Squad that helps students and teachers with technology. Olivia thrived in this environment as they were adept in providing excellent customer service as well as providing creative tutorials and information about technology use. Advisory is a school-wide class that meets weekly to help students make plans for post high school academics and/or job opportunities as well as provide peer-to-peer comradery and school inclusion. I have enjoyed watching Olivia navigate through the post-secondary opportunities that await them and their meaningful, positive interacts with their peers.

Olivia has grown and matured into an incredibly talented student and person. They have intelligence, creativity, technological know-how and perseverance such that they can to easily grasp concepts and in-turn transfer and apply these skills to non-related problems. Olivia is very thorough in her work and is an attentive, active-participant in class. They provide out-of-the-box ideas and solutions to all sorts of problems. They are aware of current events and culture more so than the majority of students their age. They have compassion for others and a deep desire to help others.

Olivia's academic records are superb. They have maintained a GPA of 4.36 throughout high school and have received academic letters for their work every semester during high school. They have a diverse transcript having completed several AP courses (history, science, English, research) as well as many courses music (both vocal and instrumental), technology, photojournalism and broadcasting. Olivia is a true leader. They are currently the Senior Class President, the president of the GSA club, an active participant in the Green Team recycling club, on the Choir Leadership Council as well as News Director of the Erie Tiger Network. Outside of school, they are employed by various groups to film concerts, and shows throughout the Denver Front Range.

Olivia is a very caring and driven young persons. Their intelligence, integrity and people skills will make Olivia a success in whatever path their mind and heart leads them. It is without reservation that I whole-heartedly recommend admission to any college or university for which Olivia applies.

Please feel free to contact me if you have any further questions.

Sincerely yours,

A handwritten signature in black ink that reads "Julie Singh". The signature is written in a cursive, flowing style.
